**SUBJECT: Revisions to Registration and Titling Forms**

With Governor Brown's reorganization, the Business, Transportation and Housing Agency became the Business, Consumer Services, and Housing Agency effective July 1, 2013. In order to reflect the new Agency name, new Department of Housing and Community Development (HCD) logo, and other technical changes, the Registration and Titling Program (Program) is in the process of revising all forms related to registration and titling of manufactured homes/mobilehomes, commercial modular(s), floating homes, and truck campers. The revised forms will be posted to the HCD website [www.hcd.ca.gov/codes/rt/forms.htm](http://www.hcd.ca.gov/codes/rt/forms.htm) in the order they are completed. Program staff will also mail out the revised forms upon customer request.

The Program will continue to accept the older forms until August 31, 2015. Older forms submitted after August 31, 2015, cannot be accepted and will be returned to the customer. If a business prefers to recreate its own version of a form, it will need to be authorized by Program staff.

Please direct questions related to this Information Bulletin to the Registration and Titling Program at (800) 952-8356 or (916) 323-9224.
