Greetings!

IN REPLY REFER TO:

The nature of information contained in the December, 2015 ParkWatch™ is confidential. This is due to the plain talk about winning a rent control battle at the local level. ParkWatch™ has also recently surfaced in City Council proceedings dealing with a disingenuous push to take property by rent control. ParkWatch™ is available this month on a limited and request-only basis.

You must be a friend of Dowdall Law Offices, A.P.C. as a client, personally acquainted or known, with agreement not to copy, distribute and with advance payment of \$75.00.

If you qualify for this month's publication, please free to fax or email this form to:

attn: Park Watch, with a check for \$75.00.

This edition is a privileged and registered legal consultation (with personal registration number imprinted on each page) and is deductible: a fraction of the time/cost to meet and coordinate opposition against rent control efforts to freeze rent and get vacancy control to monetize your property rights. If you do not understand this, you do not understand how your property is taken by overinflating selling prices today, now, under rent control.
